

CAROLINA DE LA BARRERA

LATAM Risk Manager

PICA is pleased to announce that Carolina de la Barrera has rejoined the team in Mexico City. Carolina has worked with PICA in the past in a variety of capacities - as a process and risk manager, counsel, and in business development. She is an experienced lawyer and graduated from de la Barra de Abogados. Carolina's background includes significant experience working as a forensic consultant in corporate investigations at Deloitte Mexico and as a project manager in a Mexican sales company.

"I feel fortunate to return to this great company whose approach to business and operations has always had a foundation in teamwork. PICA epitomizes excellence in service and attention to detail. I look forward to what we can do together in further positioning PICA Corporation as the premier security and risk management company in Mexico and throughout the world," said Carolina de la Barrera.
